

# WHITEHALL LANE

## WINERY & VINEYARDS

2015 NAPA VALLEY  
SAUVIGNON BLANC

**Blend:** 91% Sauvignon Blanc  
9% Semillon

2015

**Vintage:** 2015 began with a mild winter and not much rain, leading to an early bud break and an early start of our growing season. Spring weather was cool and summer was warm, allowing the fruit to mature at an even rate. With the early bud break, lower yields in the vineyard and consistent summer weather, our Sauvignon Blanc grapes ripened about three weeks ahead of normal and were harvested starting August 25th. The Semillon grapes were picked on September 10th.

**Wine:** Whitehall Lane is known for its fruit forward and crisp Sauvignon Blanc. 70% of the fruit was fermented in temperature controlled stainless steel tanks and 30% in new French oak barrels. The barrel-fermented portion was aged for only six weeks. Utilizing both tank and barrels for fermenting accentuates the crisp fruit flavors and increases complexity. 9% Semillon was blended in for enhanced sweet, round flavors and mouth-feel.

**Notes:** The 2015 Sauvignon Blanc is a refreshing wine with citrusy lemon, tart apple and sweet melon flavors and aromas. It is a nicely balanced wine with good weight and a clean finish.
