

WHITEHALL LANE

HISTORY

This small, family owned winery in Napa Valley's historic Rutherford appellation was founded in 1979. In 1993, the Leonardini Family of San Francisco and Saint Helena purchased the Whitehall Lane estate. Winemaking practices have evolved, state-of-the-art technology has been implemented, and a new barrel-aging program has been instituted. Whitehall Lane owns and operates six prime Napa Valley vineyards located in the Rutherford, Saint Helena, and Oak Knoll appellations, that are the cornerstone on which all of the wines are made. Second and third generations are now contributing to the success of the winery and vineyards as well.
