MILLENNIUM MM VINEYARD

2012 NAPA VALLEY

CABERNET
SAUVIGNON

Blend: 100% Cabernet Sauvignon

Vintage: The fruit in our Millennium MM Vineyard enjoyed a perfect growing season in 2012. The spring weather was perfect and the summer was even better. The grapes grew beautifully under ideal conditions and were harvested on October 14th a little ahead of the San Francisco Giants winning their second World Series in a three year span.

2012

Wine: The Millennium MM Cabernet is made from grapes grown less than one-half mile from the winery, on the northern edge of the Rutherford AVA. This vineyard produces grapes that have been used in some of Napa Valley's storied wines for the past half-century. Whitehall Lane's Leonardini Family bought the vineyard in the Millennium year, 2000 and brought modern viticulture science to the property, improving on the already impeccable quality. This 2012 wine was made from hand-selected grapes in one small vineyard block.

Notes: This 2012 Cabernet is a classic. The aromas of dark cherry, berry and oak leap from the glass. On the palate the wine is exquisitely balanced with excellent fruit concentration and mouth-watering acidity. The finish is long with good firm tannins and lingering fruit flavors. This offering is enjoyable today but will also evolve with cellar aging through 2026.
